<sup>1</sup> In denying review, we observe that the arguments raised by the Employer here pertaining to the Regional Director's overruling of its Objection 1 are nearly identical to those the Board already rejected in its November 20, 2024 order in this proceeding. The Board's rules prohibit consideration of such "repetitive" requests for review. See Sec. 102.67(i)(1) of the Board's Rules and Regulations ("A party may not [] file more than one request for review of a particular action or decision by the Regional Director. Repetitive requests will not be considered.").
