ORDER

The Employer's Request for Review of the Regional Director's Certification of Representative is denied as it raises no substantial issues warranting review.[1] Accordingly, the Employer's request for extraordinary relief (expedited consideration) is denied as moot.

DAVID M. PROUTY, MEMBER

SCOTT A. MAYER MEMBER

JAMES R. MACY MEMBER

Dated, Washington, D.C., November 3, 2026.

[1] In denying review, Member Mayer notes that in a future appropriate case, he would be willing to consider whether the Board should again refer the jurisdictional issue to the National Mediation Board (NMB) in order to confirm that the NMB's position remains the same.

Member Macy would refer this case to the NMB for the limited purpose of determining that agency's position on the jurisdictional issue presented here.

Member Prouty notes that the NMB has recently ruled on this exact issue, see *Swissport Cargo Services, LP*, 52 NMB No. 8 (Nov. 8, 2024), and sees no need to ask them if they really meant what they said.
